## Lawn Care Services

Professional, science-based lawn care programs designed for long-term results

### VITAMIN LAWN CARE PROGRAM

Custom tailored to your lawn, our VitaminLawn program includes lawn fertilizer, weed control and other services to help bring you the greenest, healthiest, and most beautiful lawn possible.

- ✓ Lawn Fertilization & Weed Control
- ✓ Aeration & Overseeding
- ✓ Lawn Disease Control Services
- ✓ Lawn Surface Insect Control
- ✓ Pest Control & More

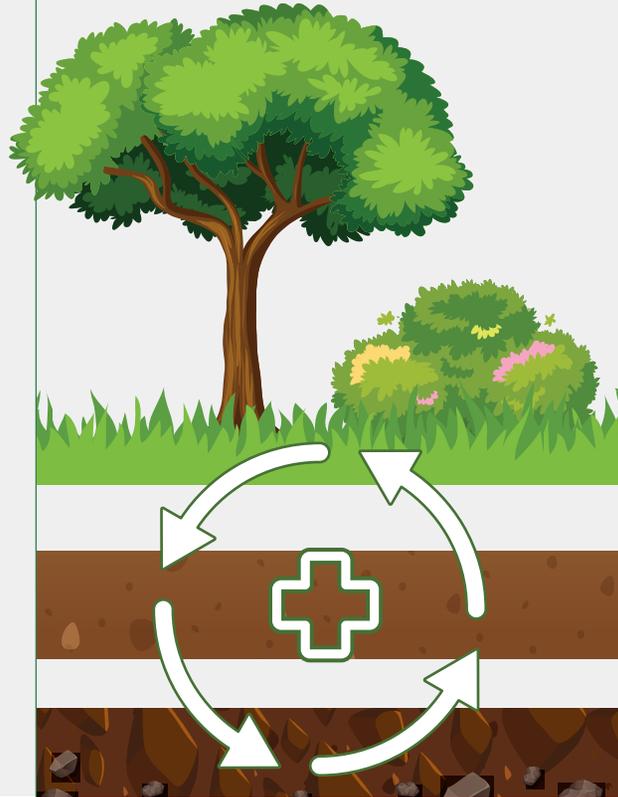

## Your Property Works as One System

Many lawn, tree, and shrub issues start in the soil or surrounding turf. When care is split between companies, those connections get overlooked.

### OUR ADVANTAGE

One team managing soil, turf, trees, and shrubs together with shared data, coordinated timing, and clear accountability.

## Annual Plant Health Care

Our Annual Plant Health Care Program provides systematic, preventive care for ornamental trees and shrubs. It is especially effective for species like dogwoods, redbuds, Japanese maples, boxwood, arborvitae, and hydrangea.
